New to this lark

Dad's n kids only, a mum-free-zone. It is the perfect win-win situation. You get to spend some special time with your child; 'coc' around with loads of gadgets; a few beers and some filthy campfire jokes. The kids have a wild time with loads of playmates and Mum has the weekend off!

This is year 15, COC is a loose gathering of ever expanding friends who either know me, or know someone locally with kids. It is a relaxed few days where individual dads meet up with friends and get to know their kids better, you can do as little or as much as you want. The venue is near Burley, usually 1½ hours from west London, but on Friday night traffic is often heavy. Directions will be provided two weeks ahead, as will an info sheet, giving more specific details and tips on what to bring etc. One of those spooky phenomenon, those that stay both nights are a lot more relaxed than the 'one nighters'. There is nothing more demoralizing than struggling to erect your tent for a hours on end and then to have to take the blooming thing down less than 24 hours later.

Our 6th Annual family camping weekend is one not to be missed. We have some brand new workshops and are delighted to introduce our *Mindfulness, Happiness and Wellbeing* experts to our camp. The weekend is an opportunity to spend time with your families, or spend time trying out new things without them! There's loads to do with all workshops taking place under cover. Come rain or shine, this weekend is a truly delightful camp for both novice and experienced campers. If you would like to come along as a **daytripper** for the Saturday workshops, then do feel free to come and join in the fun (but sleep in your own bed). With over 15 years experience of running camps, our team are here to help you get the most out of the weekend. This is a small intimate camp, with less than 200 people. Come and enjoy the great outdoors, some amazing workshops amidst the beautiful Surrey Hills setting. All bookings are personally administered, with exclusive use of the stream side field at The Mellow Farm Campsite.
